

## The Rusach Advantages

# Pallet Storage Systems

**Rusach International** Engineers are experts in Part Shuttle Systems, Flexible Manufacturing Systems and Plant Storage Systems. Whether it is a Load/Unload System you need, a Shuttle system, a Flexible Manufacturing System, a Storage System, or a combination of everything. Contact **Rusach International** today and let one of our experts evaluate your needs and design a system for you. We can even design a Part Setup System flowing to your machines to keep your machines working and making parts, not sitting idle while parts are being setup.
