

The Rusach Advantages

Repair/Service/Retrofit

At **Rusach International**, "Service, Repair & Retrofit" is a part of our business.

We not only Service, Repair, Retrofit and sell Repair Parts for our Rotary Tables and Pallet Shuttle Systems, we can also service and repair other manufacturers tables also!

Onsite Service, Off Site Service or a Yearly Service Contract, one of our trained and capable Service Engineers can take care of all your needs!

Need Inductosyns/Encoders replaced?

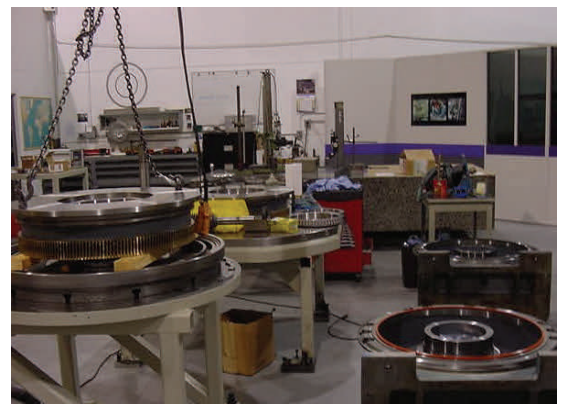

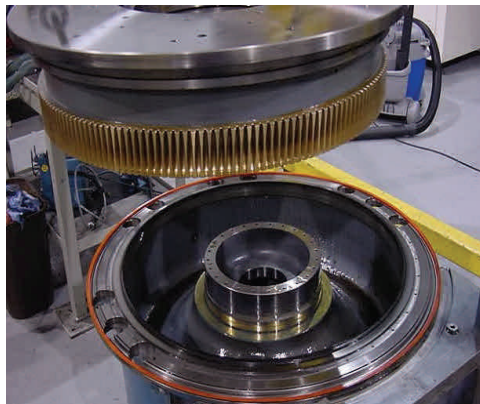

Need a Table or Pallet Repaired/Serviceed?

Need an older machine retrofitted with newer technology and/or capabilities?

Need a Rotary Table Rebuilt?

Need a yearly Service Contract?
